

Nov. 20th

Collect for the Day: (In Unison) - Almighty and everlasting God, whose will it is to restore all things in your well-beloved Son, our Lord and King, grant that the peoples of the earth, now divided and enslaved by sin, may be freed and brought together under his gentle and loving rule; who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

Prayer over the Gifts: (In Unison) – Eternal God, by your grace you have raised us up and enthroned us with Christ in the heavenly realms. Receive all we offer you this day, and lead us in those good works for which you have created us. We ask this in the name of Jesus Christ the Lord. Amen.

Prayer after Communion: (In Unison) – Almighty God, you have made us a royal priesthood in the kingdom of your Son our Saviour Jesus Christ. Make known his victory through us, we pray, that all the world may see his light. We ask this in the name of Jesus Christ the Lord. Amen.

Amen.

Nov. 20th (Year C) and Nov. 27th, 2022 (Year A)

A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.

From the Rector:

Greetings from St. Philip's parish. It's hard to believe that we are quickly approaching the end of another year, and still harder to believe that we have not yet emerged totally from the global pandemic. There are strong indications that we are getting there, such as the return to nearly normal daily lives as we work, shop, socialize and worship. Yet, the reality is we are still living with Covid-19 around us, and, in addition to that we are now in the flu season, and seeing an increase in other respiratory illnesses as well. A couple of weeks ago, I had the good fortune of being able to receive both my Covid booster and annual flu shot at a Sobeys pharmacy right on the spot, and would recommend getting the shots to everyone. A few years ago, getting the flu shot was not a high priority for me, however, as I creep up in the age group that are beginning to be at higher risk of contracting viruses, I am much more conscious of it, and making the effort to get as much protection as I can. After nearly three years of being in a pandemic, we realize that life had to return to some sense of normalcy, but we must still be vigilant and do what we can to protect ourselves and others around us.

Here at St. Philip's parish, we are gradually getting there, but we are still waiting for many of our church family members to rejoin us, and, if you are one of those, please know we have missed you, and are so looking forward to you reconnecting with us again soon. We are stronger when we are together, and the church is a more powerful instrument of God's love to the world when we worship together, grow together, and live together in faith.

We are now just one week away from the season of Advent, and the beginning of another new liturgical year. The church always starts its new year with the season of Advent (not to be confused with an ordinary calendar), and we switch from Year "C" to Year "A" with our lectionary readings and collects. The word "Advent" literally means "Coming", a time of expectant waiting and preparation for both the celebration of the nativity of Christ at Christmas, and the return of Christ at his second coming. Advent is the perfect time for us to make our return to church, and to make a new beginning. We have four weeks of Advent, and the church has long invited us to use these weeks as a time of deep reflection and meditation, as we prepare to welcome the Christ – child anew into the world at Christmas. A time for us to think about the kind of

world Jesus was born into, the Incarnation story, why God needed to come among us in human form, and what kind of world we live in today, and the promise that he will return again.

If we look at the world around us today, perhaps it bears some semblance to the kind of world Jesus was born into over 2000 years ago, despite the immense advancement of science and technology. God saw that humanity had strayed so far off track, so far away from God's desire for the world, so morally and ethically removed from Godly living, that the only solution was to come among us, to live as one of us in order to lead us back to God. Arguably, humanity has gone off track again in many ways, at least that's what I see when I look at global affairs and relations. In the last number of decades, we have less and less people identifying as Christians, and more and more not adhering to any religion or faith at all, and no longer see the church as being important or relevant to their lives. That, no doubt, has contributed to the challenges that the Christian Church faces today, as it struggles to survive and make a difference in the wider community. Albeit, the Church probably needs to be looking inwardly, divesting itself of the things that have become obstacles to proclaiming Christ to a broken world, in order to be all that we can be to God's people. What is the Church? Simply put, it is us, you, me, and everyone else that gathers Sunday morning to be fed and nurtured by Word and Sacrament; and, because the Church is comprised of human beings (albeit, Spirit-led) it is by its very nature imperfect and flawed. The good news is, that God never planned a perfect Church, but, rather, a place where we can come to find refuge from an often dark and dangerous world, to acknowledge our sins, our brokenness, and to be healed by the cleansing power of God's forgiveness, grace and mercy. The Church is not perfect, never has been, never will be, but it's what Jesus instituted, and ordained to be his instrument of peace, proclamation and healing in the world. It is when we come together that the Church becomes all that it's meant to be, and we become more and more who God created us to be.

I hope, as we begin the season of Advent, that you will choose to join us on this journey of faith, as we once more prepare to celebrate God's greatest gift to the world, the gift of Jesus Christ. He truly is **The Gift That Keeps On Giving!**

Rev. Randy

Our Parish Vestry is engaged in the area of Mission. In accordance with diocesan direction, we want to look at ways in which we can ensure our parish remains viable and sustainable well into the future. We hope to be able to focus on some areas of parish life that we can strengthen and enhance. In accordance with our parish mission statement, we want to also look at ways we can be the church to the wider community. The mission of our parish is of importance to all of us, so we want to hear from any of our parishioners that might have ideas to share, that will grow our parish and enable us to do effective ministry in the church and in the community. If you have ideas to pass along to us, simply write them down and pass them along.

St. Philip's Mission Statement: God's people in the parish of St. Philip, in a covenant relationship with God, through baptism, are called:

- To be fishers of people, in response to the call of Jesus, in the power of the Holy Spirit.
- To be a House of Prayer.
- To be a Centre for Christian Teaching.
- To be Disciples in Learning.
- To be a fellowship of Loving and Sacrificial Service.
- To be witnesses to our Lord's love through word and example.

Dismissal Songs

"Let There Be Love"

*Let there be love shared among us,
let there be love in our eyes;
may now your love
sweep this nation,
cause us, Oh Lord
to arise;
Give us a fresh understanding,
of brotherly love that is real;
let there be love shared among us,
let there be love.*

"May God's Blessing"

*May God's blessing
Surround you each day,
As you trust Him
and walk in his way.
May his presence within
Guard and keep you from sin,
go in peace,
go in joy,
go in love.*

The 2023 church calendars have arrived. Even though this year they have increased in price, we will still sell them for \$5.00 each. They were never meant to be a fundraiser, so at \$5.00 each we will break even. There is a limited number available and they can be purchased from the parish office.

The Christmas cards, depicting our church, produced by Dawn Cheeseman, are available again this year. A package of 5 cards is \$10.00 If you would like to order your cards again this year please speak to Dawn at church or call her at 685-4851 and she will gladly deliver them. Last year \$900 was raised from Dawn's project and all proceeds go to our ACW.

Children can now sign up to take part in the Christmas pageant. Even though our Sunday School hasn't officially started yet, we are preparing for a short program that the children can do at the Christmas Eve family service at 4:00 pm. Parts to be filled are as follows: MC, Leader, Narrator, Readers 1 & 2, Mary, Joseph, (maybe baby Jesus), Angels, Shepherds, Animals and townspeople.

Confirmation classes are up and going and we meet Sunday afternoons at 2:30 pm. Rev. Randy is still accepting candidates until the end of November.

Church flyer mailing. Rev. Randy has designed a church flyer, providing a brief history of the parish of St. Philip's, bright picture of the church, programs and ministries we offer, and a reminder that we are also a community church. We are also including our Christmas Eve services with an invitation to join us. This flyer will be delivered to every residential mailbox in St. Philip's (about 1367) through Canada Post. If anyone would like to contribute to the cost of printing and mailing those flyers, please speak to Rev. Randy. We hope to send them out in the early part of December.

As we near the end of another year we want to remind everyone that our parish books will close as of December 31st. Anyone with contributions they would like credited for 2022 must have them in by the end of December. We appreciate all our parish supporters and want you to know that we can only exist by your generous support.

If you would like to receive the rector's messages, bulletins and other parish information from time-to-time please provide him with your email address by contacting him at the following address: lockyerrandy@gmail.com

The 98.5 FM frequency is always in use whenever we are gathered for worship. If our numbers inside exceed the permitted numbers, there is still the ability to listen to the service through your car radio while in the parking lot of the church.

Bulletins will continue to be printed every second week for the foreseeable future. We do encourage parishioners to go online at: stphilipsanglicanchurch@nf.aibn to read the bulletins.

Now that our choir is up and going again we would love to welcome new members of all ages. It would be wonderful if we could have enough members to fill out the choir pews on both sides of the chancel. In addition to singing to the glory of God on Sunday morning it is also a time of fellowship and fun each week at practice.

The Canon EB Cheeseman Parish Centre is now available for rentals. If you would like to book the hall, or would like information about rental costs, please contact Donna or Janice Spurrell at 895-3581. Because of costs, earlier this year Vestry made a slight increase to rental rates. It was a very minimal increase and the facility is still the least costly venue in the town.

A message from our hospital chaplains – whenever you are admitted to one of our local hospitals, and would like to receive a visit from one of our Anglican chaplains, please register as "Anglican" and indicate at that time that you wish to see a chaplain during your stay. Unless you do this the chaplain may not know you are there.

A project to replace all the current lighting in the main part of the church building. Over the last couple of years, we have replaced much of the lighting in the building with less expensive and more efficient LED lighting. We were able to do this easily and at a nominal cost. We realize that much of our electrical costs annually comes from the lights we have in the nave and sanctuary of the church. As we look to the near future, when it is expected that electricity rates will increase significantly, we are looking for ways to reduce our consumption. The Anglican Church of Canada is also emphasizing our need to be ever more conscious of our responsibilities as good stewards of God's creation, and to do whatever we can to reduce our carbon footprint. At the moment vestry is interested in obtaining quotes from qualified electricians so as to get an idea of what the cost will be to transition to new and improved lighting. Once we are ready to proceed with the work, we hope the whole congregation will support the project financially.

We are working on re-covering some of our church seats with new material. Over the years some of the material covering our pews have become frayed and torn. We are in the process of covering some of them with new material, beginning with those in most need of repair. Thank you to Harvey & Ruth who have already started this work by doing the first two this past week.
